Internships

<https://nwssdtp.ac.uk/current-students/internships/>

- All NWSSDTP PhD Students are eligible, excluding the first three months and the last three months of the studentship
- Application requires a case for support outlining the details of the project and its benefits, a statement of support from your supervisor, and a letter of support from the non-HEI Partner
- Successful applicants will receive a funded extension for the length of the internship (up to six months) and can claim travel and accommodation expenses up to £1000 per month of the internship
- Three deadlines a year to apply: November, February and June
- Successful applicants must submit an end of award report with three months of completion of the internship
- Examples of recent internships: <https://nwssdtp.ac.uk/tag/internship/>
